About Delta Upsilon:

Delta Upsilon was founded in 1834 as the first non-secret fraternity. Its founders were opposed to the concept of secret societies on campus and felt that the community and faculty of a University should be aware of the actions of a fraternity. Delta Upsilon was founded under four principles: The Promotion of Friendship, The Development of Character, The Diffusion of Liberal Culture, and the Advancement of Justice. Its motto is “Dikaia Upotheke”, (δικαία υποθήκη), or “Justice Our Foundation”. Delta Upsilon is the only non-secret, non-hazing fraternity in existence and welcomes men of any race, religion, or sexual preference. Delta Upsilon @ San Diego State:

The San Diego State Chapter of Delta Upsilon was reinstated in 2000 after having its charter suspended in 1995. The house currently has 27 members and is looking to expand significantly over the next several years. These early years after reinstatement make a great opportunity for one to become a house leader and take part in building many traditions that will live on for years to come.
